

Suffolk Christian League 2021

Health and Safety Protocols

--- DRAFT ---

- Softball is considered a moderate risk sport by the NYS Department of Health.
- Players are required to take their temperature before arriving at the field. If temperature is 100° F or above, or if you are feeling ill, do not attend the game.
- If you get Covid, or someone in your household gets Covid, or you have been exposed to someone suspected or confirmed to have Covid, you must notify your manager. Do not attend the game. Player to quarantine as per doctor's instructions.
- Six feet shall be maintained between all persons, except when actively participating in the game. Players are encouraged to bring their own chair.
- Masks must be worn when not engaged in play.
- Minimize sharing of equipment. Bring your own whenever possible. If equipment such as bats must be shared, the item shall be disinfected before each use. No sharing of water bottles.
- The ball in play shall be disinfected every ½ inning.
- Handshakes, high-fives, fist bumps and hugs are prohibited. Suggest "air high fives" or tip of the cap to acknowledge respect.
- Spitting, singing, and chanting are prohibited.
- Spectators are discouraged. If they arrive, they must maintain social distancing and wear masks.
- Each team shall bring sufficient sanitizer and extra masks.
- No congregating behind the backstop.
- Home plate pregame meeting limited to one coach from each team and the umpire, all wearing a mask.
- Team manager shall review these protocols with all team members and staff.
- Permit holder shall identify a Site Safety Manager for each game to enforce compliance of protocols stated herein.
